

**Navajo Education Technology Consortium E-Rate Letter of Agency
For the Year 5/2001 - 2002**

This is to confirm Kayenta Community School participation in the Navajo Education Technology Consortium (NETC) E-rate Consortium for the procurement of

- Video (distance learning)
- Technical Support (maintenance)
- Infrastructure Upgrades (to support video/other needs)
- Other _____ services.

I hereby authorize NETC to submit PCC Form 470, FCC Form 471, and other E-rate forms to the Schools and Library Division on behalf of the undersigned school district. (This LOA does not obligate district funds.)

I understand that in submitting these forms on our behalf, you are making certifications for our school district. By signing this letter of agency, I make the following certifications:

- (a) I certify that the schools in our district are all schools under the statutory definitions of elementary and secondary schools found in the Elementary and Secondary Education Act of 1965, do not operate as for-profit businesses, and do not have endowments exceeding \$50 million.
- (b) I certify that the schools in our district have secured access to all of the resources, including computers, training, software, maintenance, and electrical connections necessary to make effective use of the services purchased as well as to pay the discounted charges for eligible services.
- (c) I certify that the schools in our district are all covered, or will be covered at the time funding is granted, by E-rate approved technology plans (unless discounts are only being requested for basic local and long distance telephone service).
- (d) I certify that the services that our school district purchases using E-rate discounts (as described in the law 47 U.S.C. Sec. 254) will be used solely for educational purposes and will not be sold, resold, or transferred in consideration for money or any other thing of value.
- (e) I certify that the entities eligible for support that I am representing have complied with all applicable state and local laws regarding procurement of services for which support is being sought.
- (f) I certify that our school district has complied with all E-rate program rules and I acknowledge that failure to do so may result in denial of discount funding and/or cancellation of funding commitments.
- (g) I understand that the discount level used for shared services is conditional, for future years, upon ensuring that the most disadvantaged schools and libraries that are treated as sharing in the service, receive an appropriate share of the benefits from those services.
- (h) I certify that I am authorized to sign this letter of agency for my District and, to the best of my knowledge, information, and belief, all information provided to NETC for E-rate submission is true.

I understand that persons willfully make false statements on E-rate forms or through this letter of agency can be punished by fine or forfeiture under the Communications Act, 47 U.S.C. Secs. 502, 503(b), or fine or imprisonment under Title 18 of the United States Code, 18 U.S.C. Sec. 1001.
